COMPANY PROFILE

About Us

Building Trust in India.

**Delivering Value to
the World.**

Megica Group is an India-based export and sourcing organization focused on ceramic sanitaryware and bathroom fitting solutions for global markets. **Headquartered in Noida** and operating through Morbi, Gujarat, we combine manufacturing strength with export discipline—ensuring consistent quality, reliable dispatch timelines, and partner-first execution.

We support **importers, distributors, wholesalers, project buyers, and retail chains** with a supply model designed to perform in real markets: stable pricing, scalable production, and documentation-ready dispatches.

Our Promise

To deliver export-ready products that meet global expectations in quality, performance, and reliability — every time.

Our Vision

To become a globally trusted manufacturing and export group, recognized for quality, innovation, and long-term partnerships.

Our Mission

- Manufacture products aligned with international standards
- Continuously upgrade processes, technology, and skills
- Support partners with dependable supply & responsive service
- Expand global presence while preserving Indian excellence

Leadership Team

At **Megica Group**, our leadership team drives the company's vision with experience, expertise, and passion, ensuring the delivery of innovative, high-quality solutions globally. However, the true strength of Shikori Group lies in the many unsung heroes—our dedicated staff members—whose hard work and commitment power every success.

Dinesh Aggarwal

- Founder

Dinesh Aggarwal laid the foundation of the company with a vision to deliver quality-driven manufacturing and global reliability. His leadership, industry expertise, and commitment to excellence continue to guide the company's long-term growth and international success.

Kalpesh Kanzariya

- Director Of Operation

Kalpesh Kanzariya oversees end-to-end operations with a focus on efficiency, quality control, and process optimization. His leadership ensures smooth production workflows, timely execution, and consistent operational excellence across all functions.

Samar Aggarwal

- Global Business Director

Samar Aggarwal drives global market expansion through strategic partnerships and international business development. With a strong understanding of export markets and client requirements, he leads sustainable growth and strengthens the company's global presence.

Manufacturing Excellence

Our manufacturing operations are built to meet the expectations of global sanitaryware markets. Backed by modern infrastructure and skilled production teams, we ensure consistent quality, scalable output, and strict process control at every stage. From raw material selection to final finishing, every unit is produced with export performance in mind.

❖ State-of-the-Art Manufacturing Facility

Equipped with modern kilns, casting lines, glazing units, and finishing sections to ensure uniform quality and precision manufacturing.

❖ Advanced Technology & Automation

We utilize advanced production techniques and quality monitoring systems to achieve superior strength, finish, and dimensional accuracy.

❖ Large-Scale Production Capacity

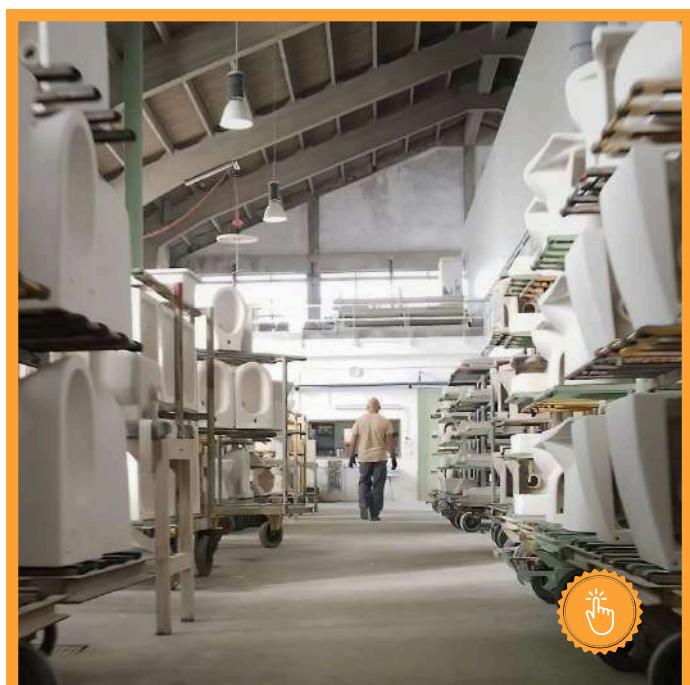

High-volume manufacturing capability to fulfill bulk domestic and export orders with timely delivery.

❖ Sustainable & Eco-Responsible Practices

Our facilities follow responsible manufacturing practices with optimized energy use, controlled waste management, and efficient water recycling processes.

Export container loading

Our container loading process is carefully planned to ensure product safety, balance, and compliance with international shipping standards. Each container is handled by experienced teams following documented export procedures.

❖ Strategic Arrangement

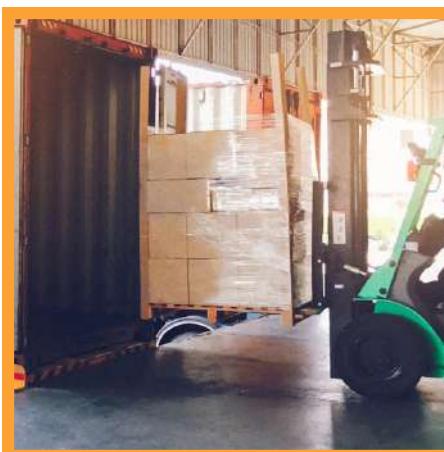

Products are arranged to distribute weight evenly, minimize movement, and maximize container utilization.

❖ Quality Checks

Final inspections are conducted before sealing to ensure correct quantities, packing integrity, and documentation accuracy.

❖ Secure Loading Techniques

Use of straps, separators, and protective barriers ensures stability and prevents transit damage.

At Megica Group, we put you, the customer, first. We are committed to delivering the best value and service to help your business succeed. Here's how we stand out:

We Don't Just Supply

We Partner In Your Growth

Our belief is simple —

when our dealers sell faster, our business grows faster.

We don't focus only on supplying products. We focus on helping our partners grow their sales—because your growth ultimately drives our growth.

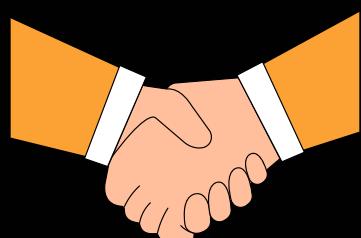

We believe real success is built on partnership, not transactions. We work with our dealers not just as a supplier, but as a long-term growth partner—supporting sales momentum, supply reliability, and business stability in competitive markets.

Your Growth • Our Commitment • One Shared Goal

When our partners grow stronger in their markets, we grow stronger as a business—this is the foundation of every partnership we build.

CONNECT WITH US AND GROW TOGETHER

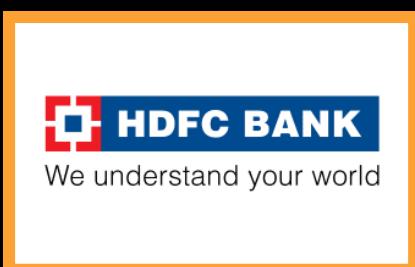

Corporate Social Responsibility

We are committed to responsible growth through initiatives that support environmental sustainability, employee well-being, and community development. Our CSR efforts focus on ethical practices, resource conservation, and contributing positively to the communities we operate in.

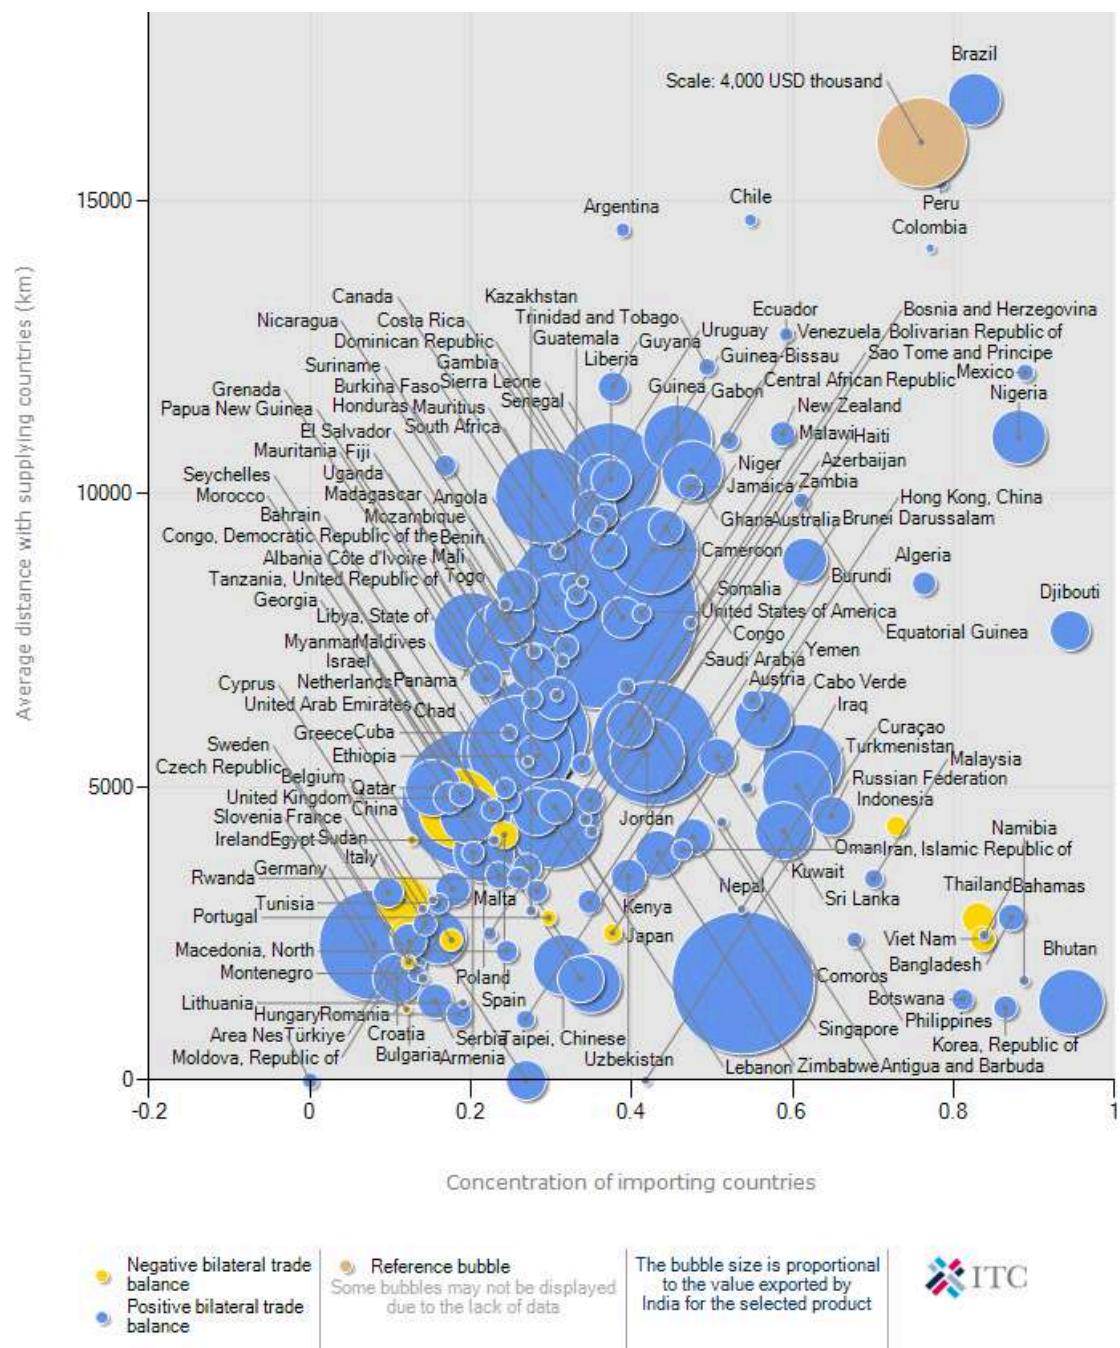

Certificate

Certified Manufacturing. Globally Compliant. Export-Ready.
